Longer Gone

Eric Church

Honey, honey
Honey you still prey on my mind
I tried thumbin', a freight train jumpin'
Baby nothin' leaves you behind
So I jump up find me a mountain
Shake of the sheep I been countin'
Chase that sun 'til it runs out of sky
And if your memory's still too strong
I'll keep movin' on and get longer gone
Now there are those who
Swear that I belong in a padded room
'Cause I can't sleep, baby you keep
Creepin' up like the light of a crescent moon
So I jump up find me a mountain
Shake of the sheep I been countin'
Chase that sun 'til it runs out of sky
And if your memory's still too strong
I'll keep movin' on and get longer gone
It would be easy if I never loved you
I found someone new but until I do
I jump up find me a mountain
Shake of the sheep I been countin'
Chase that sun 'til it runs out of sky
And if your memory's still too strong
I'll keep movin' on and get longer
And get longer gone, longer gone
Honey, honey
Honey you still prey on my mind
