

That's Entertainment

Michael Feinstein

What have we got?
Yeah, yeah
What have we got?
Yeah, yeah
That's what we got
Check out all these rock stars, come on watch them suffer
So very sad and I hope you agree
Not enough attention, oh and did I mention
Life is tough Mr. Platinum CD
What have we got?
Yeah, yeah
That's entertainment
Yeah, yeah
That's what we've got
Yeah, yeah
That's entertainment
Yeah, yeah
That's what we've got
(Ooo ooo ohh hoo)
Look at all the pop stars thinkin' that they're in charge
Let's see who's the biggest whore?
Come on shake your asses only for the masses
You write the songs I'll lip sync it on tour
What have we got?
Yeah, yeah
That's entertainment
Yeah, yeah
That's what we've got
Yeah, yeah
That's entertainment
Yeah, yeah
That's what we've got
(Set your soul on fire)
People come together, nothin' lasts forever
Consume it all and we will supply
Life is for the famous fools and all the shameless
And everything that money can buy
What have we got?
Yeah, yeah

That's entertainment
Yeah, yeah
That's what we've got
Yeah, yeah
That's entertainment
Yeah, yeah
What have we got?
Yeah, yeah
That's entertainment
What have we got?
Yeah, yeah
That's what we've got
What have we got?
Yeah, yeah
That's entertainment
What have we got?
Yeah, yeah
That's what we've got
