

# Fool's Gold (R!OT Remix)

Aaron Carter

She livin' in this lie with him  
No more coffee in the morning  
I'm wide awake while he sleeping in  
Know that's why you're calling You woke up chasing feelings, healing, trouble dealing  
Coping with the fact that you're alone  
It makes you miss my body, touchin', kissin', squeezin'  
He don't know your worth, your weight in gold Look at you fallin'  
Do you even know what you're fallin' for?  
'Cause I see you fallin'  
You traded my heart for some fool's gold  
Fool's gold Can't think about your nights with him  
Wearing nothing but the moonlight  
When you feel your conscience stepping in  
Uber to my house but I don't need this pressure, you're my greatest stressor  
Panties on my bed, where they come from?  
Show up uninvited, fuckin' up my vibes with  
All the shit that you pretend you want Look at you fallin'  
Do you even know what you're fallin' for?  
'Cause I see you fallin'  
You traded my heart for some fool's gold  
Fool's gold Fool's gold  
Fool's gold  
Fool's gold  
Fool's gold Look at you fallin'  
Do you even know what you're fallin' for?  
'Cause I see you fallin'  
You traded my heart for some fool's gold Look at you fallin'  
Do you even know what you're fallin' for?  
'Cause I see you fallin'  
You traded my heart for some fool's gold  
Fool's gold
