

# Monaco

## MKTO

[Verse 1]

I'll go wherever you go  
Chase you through the streets of Monaco  
I'll run wherever you are, oh  
I trust the rivers lead me to your heart[Pre-Chorus]  
Every night, every day  
(Whatever the world the story of us takes me)  
Lost in the light of your flame  
(Whatever girl, wherever you need, baby)  
Nothing will get in my way  
(Not a thing)  
Oh, even if the brightest start burns out tonight[Chorus]  
Why don't you close your eyes  
And we can leave it all behind  
Wake up in paradise  
Where the sunset never dies  
We'll never say goodbye, goodbye, goodbye  
Don't ever say goodbye, goodbye, goodbye[Post-Chorus]  
Never say, never never say  
Never say bye, never ask why  
Baby, don't you know we the stars in the sky?  
Never say never, cause never don't fly  
Baby, don't you know we the stars in the sky?[Verse 2]  
I'll go wherever you go  
To win your heart, Princess of Monaco  
Daylight never seems to fade away  
When I feel your love raining on my parade[Pre-Chorus]  
Every night, every day  
(Whatever the world the story of us takes me)  
Lost in the light of your flame  
(Whatever girl, wherever you need, baby)  
Nothing will get in my way  
(Not a thing)  
Oh, even if the brightest start burns out tonight[Chorus]  
Why don't you close your eyes  
And we can leave it all behind  
Wake up in paradise  
Where the sunset never dies  
We'll never say goodbye, goodbye, goodbye

Don't ever say goodbye, goodbye, goodbye[Post-Chorus]  
Never say, never never say  
Never say bye, never ask why  
Baby, don't you know we the stars in the sky?  
Never say never, cause never don't fly  
Baby, don't you know we the stars in the sky?[Bridge]  
You hear me calling your name  
But I don't know if all my words are drifting away  
You hear me calling your name  
Won't let you down if the sun falls from the sky  
Oh, if the brightest start burns out tonight[Chorus]  
Why don't you close your eyes  
And we can leave it all behind  
Wake up in paradise  
Where the sunset never dies  
We'll never say goodbye, goodbye, goodbye  
Don't ever say goodbye, goodbye, goodbye  
Why don't you close your eyes  
And we can leave it all behind  
Wake up in paradise  
Where the sunset never dies  
We'll never say goodbye, goodbye, goodbye  
Don't ever say goodbye, goodbye, goodbye[Post-Chorus]  
Never say, never never say  
Never say bye, never ask why  
Baby, don't you know we the stars in the sky?  
Never say never, cause never don't fly  
Baby, don't you know we the stars in the sky?
