

# For Real (The Pajama Sessions)

Sarah Buxton

These are the eyes I know  
These are the lips I kiss  
These are the hands I hold  
I live for this This is the life I want  
This is my only hope  
That we'll share the days together  
When we grow old I don't wanna run away  
I don't wanna drift away  
I don't wanna fade away  
I don't wanna hide away  
Not when I feel the things I feel I don't wanna lose you, babe  
I don't wanna hurt you, babe  
I just don't wanna hear you say That you'll never go away  
That's what it's like to be in love  
For real This is the bed we share  
This is the safest place  
This is where we come  
To end the day Feels like a fairy tale  
Feels like a fantasy  
But baby, most of all  
Feels like it's meant to be I don't wanna run away  
I don't wanna drift away  
I don't wanna fade away  
I don't wanna hide away, yeah  
Not when I feel the things I feel, oh I don't wanna lose you, babe  
I don't wanna hurt you, babe  
I just don't wanna hear you say That you'll never go away  
That's what it's like to be in love  
For real That's what it's like to be in love  
For real  
That's what it's like to be in love  
For real That's what it's like to be in love  
Oh, for real  
That's what it's like to be in love  
Hey, hey, yeah That's what it's like to be in love  
For real  
That's what it's like to be in love  
For real
