

# When I Wake Up

## Busekrus

Too much on my mind  
Too much on my mind  
Too much on my mind  
Too much on my, la la la la la la la la

Here I am thinking again  
All lost in my brain  
But I know I should get up and get out of it  
I gotta keep moving  
But here I am lost all up inside my brain  
Can't stop thinking, reminiscing.  
Can't stop. Can't let go.  
Ohh ohhh

But when I wake up,  
And one day I will do it,  
I have let you go  
And everything I went through was beautiful  
I have let you go  
And everything I went through was beautiful

Maybe I, right now, can't see the forest for the trees  
So lost behind hurt  
But I'm trying everyday exponentially  
To move forward  
Do you know how it feels to be lost?

But when I wake up  
Everything I went through would be beautiful  
When I wake up  
And I will wake up  
It's gonna be beautiful

Down to to my left side (Last cry)  
Feeling I could fly (Feeling I could fly)  
All day, up high.  
Sweeter than the sugar on a cinnamon treat  
Or an ice cream  
That was me
