

# I Love Your Ways

## Newsboys

They shine like dawn on an open Psalm  
A knowing smile from something You said  
I hunger for the daily bread of Your ways  
Ah, the bread of Your ways  
They glow like blue in a field of black  
Illuminating the runway ahead  
I love to follow the angel tread of Your ways  
Ah, the tread of Your ways I love Your ways (Your true, Your perfect ways)  
I love Your ways (so beautiful to me)  
Lovely always (and faithful to restore)  
I love Your ways And when I tire, they bring a second wind  
A word in season, a gleam in Your eye  
I love to feel the runner's high of Your ways  
Ah, the high of Your ways  
I lived so long under basement floors  
The flickering lights, the windowless gloom  
I'm here to stay in the upper room of Your ways  
Ah, the room of Your ways I love Your ways (Your true, Your perfect ways)  
I love Your ways (so beautiful to me)  
Lovely always (and faithful to restore)  
I love Your ways I need Your good word speaking  
When there's nothing to say  
I need Your Spirit here  
Breathing on me every day  
Every night I need Your love's pure light  
And I've learned forever to trust  
Ever to follow  
Ever I'll praise Your everlasting ways  
(Your everlasting ways  
Your everlasting ways) I love Your ways (Your true, Your perfect ways)  
I love Your ways (so beautiful to me)  
Lovely always (and faithful to restore)  
I love Your ways I love Your ways
