

# Fight Till You Die (Live at the Key Club)

## Pennywise

Look all around you there's a war that's going on  
A struggle against the odds that's breaking out and must be won  
They're getting ready with the weapons they have found  
Take inspiration from the sound  
See it in the faces of the people everyday  
We need to take control and find some ammo right away  
Our cause is righteous and we're gonna have our say  
Get ready for the judgment day  
Go ahead and try  
Or kiss your ass goodbye  
People of society are running for their lives  
Get up now and go Or your never gonna know  
Never gonna make it in your houses lying low  
Give it one good try  
Give it all and fight till you die  
FIGHT TILL YOU DIE  
A puppet government  
They're dying in the streets  
Families are breaking up cause underpays can't make ends meet  
The establishment has put their money underground  
Cause they all know what's coming down  
A lucky precious few with money in their banks  
Can't imagine what it's like to find yourself in homeless ranks  
They've got no conscience for the ones who won't survive  
The time for payback has arrived  
Go ahead and try  
Or kiss your ass goodbye  
People of society are running for their lives  
Get up now and go Or your never gonna know  
Never gonna make it in your houses lying low  
Give it one good try  
Give it all and fight till you die  
FIGHT TILL YOU DIE  
All alone in your own society  
outside are the cries of lives in misery  
an evil plot of a false democracy  
subjugating souls just dying to be free  
Look all around you there's a war that's going on  
A struggle against the odds that's breaking out and must be won

They're getting ready with the weapons they have found  
Take inspiration from the sound  
Go ahead and try  
Or kiss your ass goodbye  
People of society are running for their lives  
Get up now and go Or your never gonna know  
Never gonna make it in your houses lying low  
Give it one good try  
Give it all and fight till you die  
FIGHT TILL YOU DIE  
FIGHT TILL YOU DIE  
FIGHT TILL YOU DIE
