

# Keep A Knockin'

## Shakin' Stevens

Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in  
Come back tomorrow night and try it again You said, you love me and you can't come in  
You said, you love me and you can't come in  
You said, you love me and you can't come in  
Come back tomorrow night and try it again Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in  
Come back tomorrow night and try it again You said, you love me and you can't come in  
You said, you love me and you can't come in  
You said, you love me and you can't come in  
Come back tomorrow night and try it again Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in  
Come back tomorrow night and try it again You said, you love me and you can't come in  
You said, you love me and you can't come in  
You said, you love me and you can't come in  
Come back tomorrow night and try it again
