

# Defend Your Own (Feat. Krayzie Bone)

Collie Buddz

Yeah, ya know  
Nah, nah, nah, outta road  
You have to defend your own, well Now ease off, squeeze off, pop it off  
Now ease off, you have to defend your own so  
Now ease off, squeeze off, pop it off  
Now ease off, you have to protect your own now Full clip, banana clip, hollow tip  
Yeah, it a fling if a bwoy trip in here now  
Full clip, trigger nah stick, rubber grip  
Bullet a fling if a bwoy slip Evidently, them a no badman  
Them always talk 'bout them a gangsta of the century  
Whe them a do, whe them a try  
Come dis badman fool that a tempt we Me no care how much bling you have  
Bullet a boar through you and your Bentley  
Almighty God a protect we  
Yeah, me bun the sweet sensi Keep my mind off of bad mind, hypocrite and people who envy  
Come a try to take what is mine, bwoy, de clip get empty  
Don't bother talk about six shots, pussy  
I bust twenty, protect we, nah, nah, now Now ease off, squeeze off, pop it off  
Now ease off, you have to defend your own so  
Now ease off, squeeze off, pop it off  
Now ease off, you have to protect your own now Full clip, banana clip, hollow tip  
Yeah, it a fling if a bwoy trip in here now  
Full clip, trigger nah stick, rubber grip  
Bullet a fling if a bwoy slip You betta keep a weapon to protect your own  
I keep an automatic steady ready get this on  
I put it right up to yo dome then I wet the chrome  
And when I kill you the da feds come and I'm long gone Don't try to tell me you ain't heard about a nigga  
(Bone)  
Lyrical killer, I'm fienna, let the trigga go  
Anybody think is sweet can let a nigga know We can get it on in the middle of the flo'  
You wanna battle, I tell you no lie  
It's a suicide, it's a suicide  
Who am I? I'm the truth no lie nigga Fool with I and you all die  
True protection sawed off selection  
Head your neck, no longer connection  
Huh, Huh, killah, killah Now ease off, squeeze off, pop it off  
Now ease off, you have to defend your own so  
Now ease off, squeeze off, pop it off  
Now ease off, you have to protect your own now Full clip, banana clip, hollow tip

Yeah, it a fling if a bwoy trip in here now  
Full clip, trigger nah stick, rubber grip
