

Fishnet Stockings

The Perfectly Violent Dream With Becca Ayers

Well my sweet baby wears fishnet stockings

When she starts a rockin' there ain't no stoppin' Singin' wop bop a doo dop fishnet stockings

Shoo wop a doo dop when she's rockin'

Bop bop a doo dop there ain't no stoppin'

Rockin' with my baby in her fishnet stockings Well she's got a pair in pink, she's got a pair in red

When she puts the black ones she makes me loose my head Singin' wop bop a doo dop fishnet stockings

Shoo wop a doo dop when she's rockin'

Bop bop a doo dop baby there ain't no stoppin'

Rockin' with my baby in her fishnet stockings One time Well she's got a pair in pink, got a pair in red

When she puts the black ones she makes me loose my head Singin' wop bop a doo dop fishnet stockings

Shoo wop a doo dop when she's rockin'

Bop bop a doo dop there ain't no stoppin'

Rockin' with my baby in her fishnet stockings Rock it again now [Incomprehensible] well my sweet baby wears
fishnet stockings

When she starts a rockin' there ain't no stoppin' Singin' wab bop a doo dop fishnet stockings

Shoo wop a doo dop when she's rockin'

Bop bop a doo dop there ain't no stoppin'

Rockin' with my baby in her fishnet stockings
