

It Must Be True Love

The Maytals

You said that your love was just for me
That's why I've got to be yours
You told me the day will never come
When you would walk out and leave
'Cause you know that[Chorus]
True love is hard to find
'Cause you know that
True love is hard to find
Everybody knows
True love is hard to find
Hard to find
Very hard to find
I say (true love)
True love (true love)
True love (true love)
True love is hard to find
You told me that you know I would have to travel all over
You would take care of my business for me
Darlin', all I ask of you
Is to leave those business alone and save it just for me
Yes[Chorus]And glory fills my heart with joy from heaven
With love for you
Darlin', I always think of you
Always have my arms filled with love for you
'Cause you know that[Chorus]Just because I know
True love is hard to find
I believe in love
True love is hard to find
Everybody should know that
True love is hard to find
You know that
True love is hard to find
I say (true love)
True love (true love)
True love (true love)
True love is hard to find
Hard to find
True love (true love)
True love (true love)

True love is hard to find
