Two Hearts

The Birthday Massacre

Erasing these two photographs
Is just a waste of time
The danger's in the subtlety
Between the evening and the nightTwo hearts beating, one beats the other
While the other just looks away
Two hearts dreaming nightmare together
Leaving nothing more, nothing left to sayReplacing every part of me
That's in between the lines
The promise, just a shade of gray
Between the darkness and the lightTwo hearts beating, one beats the other
While the other just looks away
Two hearts dreaming nightmare together
Leaving nothing more, nothing left to sayTwo hearts beating, one beats the other
While the other just looks away
Two hearts dreaming nightmare
Nothing more, nothing left to say
