In My Arms (Bimbo Jones Extended Mix)

Plumb

Your baby blues, so full of wonder
Your curly cues, your contagious smile
And as I watch, you start to grow up
All I can do is hold you tightKnowing clouds will rage in
And storms will race in but you will be safe in my arms
Rains will pour down, waves will crash around
But you will be safe in my armsStory books are full of fairy tales
Of kings and queens and the bluest skies
My heart is torn just in knowing
You'll someday see the truth from liesWhen the clouds will rage in
And storms will race in but you will be safe in my arms
Rains will pour down, waves will crash around
But you will be safe in my armsCastles they might crumble
Dreams may not come true
But you are never all alone
Because I will always, always love you
Hey I, Hey IWhen the clouds will rage in
And storms will race in but you will be safe in my arms
Rains will pour down, waves will crash around
But you will be safe in my arms, in my arms
