The Glow Of The Flames

Poisonblack

Temptation awaits as she opens the gates
And I kneel down before her
The scent of her rides in the breath of the night
And I'm breathing the curseI breathe and I drown in the circle of fire
The glow of the flames
And I embrace the demon-desire
The glow of the flames in my eyesThe pleasure and pain... now they are the same
For I have fell from grace
I've been waiting for so long for the feeling this strong
For this bliss of escapeI breathe and I drown in this funeral pyre
The glow of the flames
And I embrace the demon-desire
The glow of the flames in my eyes
