

The Makings of You

Tamar Braxton

Yeah, oh-ye-yeah

Yeah

Add a little sugar, honeysuckle and a great big expression of happiness

Boy, you couldn't miss with a dozen roses

Such would astound you the joy of children laughing around you

These are the makings of you

It is true the makings of youOoooooh

I'm so lucky that you're all mine, like a shooting star

We're in heaven and it feels right

Ooh, the things that you do

That keeps me falling for you

Hard

Boy, let me tell you the truth, I'll always love you

You got that touch, that love, that's settin' me on fire

And I'll give you my life (give you my life)

Anything that you ask me

Baby, you can have it, yeah

You got that heart, that soul, you perfect in my eyes

You're the light of my life (light of my life)

Boy, I'm telling you, I love everything you say and do

Sugar

Honeysuckle and

(Honeysuckle and...)

A great big expression of happiness

Boy, you couldn't miss

(Boy, you couldn't miss)

With a dozen roses
