Little Hands

Sarah Vaughan

My baby's gone like a flame
Put out by the rain
Water down the drainLittle face, little feet, little hands in my mind
Where I'm crying all the time
Where I'm crying all the timeLittle face, little feet, little hands in my brain
Driving me insane
Driving me insaneLittle face, little feet, little hands not around
No more little sounds
No more little sound
My baby's gone like a flame
Put out by the rain
Water down the drain
