

# Little Hands

[Sarah Vaughan](#)

My baby's gone like a flame  
Put out by the rain  
Water down the drain Little face, little feet, little hands in my mind  
Where I'm crying all the time  
Where I'm crying all the time Little face, little feet, little hands in my brain  
Driving me insane  
Driving me insane Little face, little feet, little hands not around  
No more little sounds  
No more little sound  
My baby's gone like a flame  
Put out by the rain  
Water down the drain
