God, Please Let Me Go Back

Josh Rouse

Waiting on my angel to come (I was)
Waiting on my angel to come (I had)
Nothing to lose but timeThat little fellow wanted to know (yes that)
Little fellow wanted to know (he said)
Son, are you ready to die?
I told him I would have to say no.'Cause in my life, I only wanted things to go right.
Oh my God, I can't believe the mess I've caused
I want to go back again.
Please, let me go back again.[guitar intermission]Now I gotta wait on my girl (I said)
How long I gotta wait on my girl (I bet)
She's down there having funI never was a jealous guy (you know)
I never was a jealous type (but I)
Saw the way he looked at you.
He always was a son of a bitch.In my life, I only wanted things to go right.
Oh my God, look at all the mess I've caused.
I want to go back again.
Please, let me go back again.Let me go back again.[music shifts]I, I, I am the loneliest cloud in the sky.
Clean, clean, clean, every thing's so good and clean.In my life, I only wanted things to go right.
Oh my God, I can't believe the mess I've caused.
I want to go back again.
Please, let me go back again,
go back again.Please, let me go back again.
I want to go back again.
