

Lucy

Dropping Daylight

Ive had more than my share of
Girlfriends, and dont ever care to
Keep them for more than a year, but
Tonight while safely asleep Ive
Fallen into this dream Where Lucy and I are together forever
A love far too good to be true And when I wake up
I wanna be happy
So dont forget me
When I wake up
I wanna be happy
So dont forget me We socialize often times in our own corner
Of the partys audience chatting with each others
Exes and friends we made love with
Circling the crowd
Speaking very loud
So we can find each other, steal a kiss and cop a feel
In front of everyone And at the end of the night were stable and able
To keep things from falling apart And when I wake up
I wanna be happy
So dont forget me
When I wake up
I wanna be happy
So dont forget me I feel my heart tickin' away like a clock
Feel my heart tickin' away like a clock
Feel my heart tickin' away like a clock
My heartbeats tickin' away like a clock
Feel my heart tickin' away to an alarming end
To an alarming end And when I wake up
I wanna be happy
So dont forget me
When I wake up
I wanna be happy
So dont forget me
