Iron

Nicky Romero & Calvin Harris

Love the way I feel,
streets replaced with fields
Wide awake in here,
you shine.
Ran away from goals,
left you in the cold.
Nothing's in our way tonight.
You know that you'll never be replaced
And everyone here make the same mistakes as me
And either way our time are go to waste
Our heart will never be the same again
Our heart will never be the same again...
Love the way I feel,
streets replaced with fields
Wide awake in here,
you shine.
Ran away from goals,
left you in the cold.
Nothing's in our way tonight.
You know that you'll never be replaced
And everyone here make the same mistakes as me
And either way our time are go to waste
Our heart will never be the same again
Our heart will never be the same again...
