

Burning Fight

Inside Out

I'll reach out my hand and you'll turn the other way.
I'm only trying to extend myself, to communicate.
I try and I try and I try, there's no response from you.
So now I refuse to waste my, waste my time, to waste my fucking time on you. I refuse to let myself down by
falsely putting judgement on you.
To make myself look higher, higher - only to be knocked down by the truth.
I will never choose a different path; I will never turn away from you.
Your attitude is an example of this, which has become for me a Burning Fight.
Not to change your opinion of me; but to try to help you see what's right. And I will never choose a different
path; ya I will never turn away from you.
I will never choose a different path; and I will never fucking be like you!
Ya, it's my Burning Fight, my Burning Fight.
This is my Burning Fight, my Burning Fight.
