

Remember Home (feat. Alessia Cara)

Sebastian Kole

[Verse 1: Sebastian Kole and Alessia Cara]

One million songs and counting
A million miles I've come
Oh one million eyes have called to me
Still I remember home Oh one thousand words stuck in my head
And a thousand towns I've gone
Oh one thousand ways for me to say
That I remember home

[Chorus: Together]

(Baby)

Found a star to lead me back to you
Shine's like you do
It shine's like you do
(Send my love)
Send my love so you won't feel alone
(Baby) as soon as I can, oh, I'm coming home [Verse 2: Sebastian Kole and Alessia Cara]

Oh one hundred nights I've dreamed of you
A hundred visions strong
Oh one hundred times I've cried for you
When I remember home [Chorus: Together]

Oh, found a star to lead me back to you
Shine's like you do
It shine's like you do
(Send my love)

Send my love so you won't feel alone
As soon as I can, oh

(Oh you know that) I'm coming home [Bridge: Alessia Cara and Sebastian Kole]

Nights so empty
I'm wondering if you miss me
So baby, I'm coming home
Yeah...
Nights so lonely
I need you to hold me
So baby, I'm coming home [Chorus: Together]
(I found a...) Found a star to lead me back to you
Shine's like you do
It shine's like you do
(Send my love)
Send my love so you won't feel alone

(Baby) as soon as I can, oh, I'm coming home[Outro: Sebastian Kole and Alessia Cara]

As soon as I can, oh, I'm coming home

Soon as I can....soon as I can, oh, I'm coming home
