

Spending All My Time

Aaron Fresh

Spending all my time
Ah, nah nah, nah nah, oh
Ah, nah nah, nah nah, oh
Spending all my time lovin' you, all my time lovin' you
Need a few more seconds in my day
Spending all my time lovin' you, all my time lovin' you
Every minute's runnin' away
From when I wake up to when I lay down
All I got is you baby on my brain
Spending all my time lovin' you, all my time lovin' you
25 hours in my day
The clock ain't long enough on the wall
So I spend another minute with you
I'm not strong enough, that's why I fall
Every time that I'm lookin' at you
You got my attention
I forgot to mention
You're the most beautiful girl I know
And I got no place to go
Spending all my time lovin' you, all my time lovin' you
Need a few more seconds in my day
Spending all my time lovin' you, all my time lovin' you
Every minute's runnin' away
From when I wake up to when I lay down
All I got is you baby on my brain
Spending all my time lovin' you, all my time lovin' you
25 hours in my day
I got everything, I got nothing
If they take you away from me
I'm your medicine
Make you better when all your hope starts runnin' away
Baby this is your song

No it's not the slow song
Say anything just to make you smile
Baby won't you stay awhile?
Spending all my time lovin' you, all my time lovin' you
Need a few more seconds in my day
Spending all my time lovin' you, all my time lovin' you

Every minute's runnin' away
From when I wake up to when I lay down
All I got is you baby on my brain
Spending all my time lovin' you, all my time lovin' you
25 hours in my day
If you got somebody that you feel this way about say, "Oh"
And if you got somebody that you can't live without say, "Oh"
And if you got somebody that you feel this way about say, "Oh"
And if you got somebody that you can't live without say, "Oh"
Spending all my time lovin' you, all my time lovin' you
Need a few more seconds in my day
Spending all my time lovin' you, all my time lovin' you
Every minute's runnin' away
From when I wake up to when I lay down
All I got is you baby on my brain
Spending all my time lovin' you, all my time lovin' you
25 hours in my day
Spending all my time lovin' you, all my time lovin' you
Need a few more seconds in my day
Spending all my time lovin' you, all my time lovin' you
Every minute's runnin' away
From when I wake up to when I lay down
All I got is you baby on my brain
Spending all my time lovin' you, all my time lovin' you
25 hours in my day
