Sweet Forgiveness

Love and Theft

When will I learn to take you on my journey?
When will I see, yeah, that you belong to me?
When will I learn to take you on my journey?
When will I see, yeah, that you belong with me?Sweet forgiveness
How could you go, my babe?I never really knew that I needed you
But you were right there understanding
Honey, you set my sail
When will I learn to take you with me everywhere?When will I learn?
(Sweet forgiveness)
Sweeter than honey
Give me that sweet forgiveness
Sweeter than wineDid you ever get lost in a bundle of nerves?
Did you ever get lost in a jungle of your own words?
You hurt another, hurt a brother, you hurt a sister or a lover
And then you know right then you got to just sit back
And wait for the cureSweet forgiveness
How could you go, my babe?I never really knew that I needed you
But you were right there understanding
Honey, you set my sails
When will I learn to take you with me everywhere?When will I learn?
(Sweet forgiveness)
Sweeter than honey
Give me that sweet forgiveness
Sweeter than wineGive me that sweet forgiveness
Sweeter than honey
Give me that sweet forgiveness
Sweeter than wine(Sweet forgiveness)
Give me that sweet forgiveness, baby
Sweeter than honey
(Sweet forgiveness)
Sweeter than wineHave to give it to me baby
(Sweet forgiveness)
Sweeter than wine
(Sweet forgiveness)
Sweeter, sweeter, sweeter than honey
(Sweet forgiveness)
Sweeter than wine
