

The Way I Am

Andru Donalds

That's the way I'am, that's the way I go
I'm not a lost soul
That's the way that I go When I was went to school
Always are said to me
Why did you have to be different?
Why are you always be so strange?
Always got to be today
Never was wrong, but I can be that this call That's the way I'am, that's the way I go
I'm not a lost soul
That's the way that I go
That's the way I'am, that's the way I go
I'm not a lost soul
That's the way that I go My mama always told me
My father always told me
Why did you have to be different?
I told them that I have to be this way
Because I not this
I told them like anybody else
Because I no that you missed That's the way I'am, that's the way I go
I'm not a lost soul
That's the way that I go
That's the way I'am, that's the way I go
I'm not a lost soul
That's the way that I go
That's the way I'am, that's the way I go
I'm not a lost soul
That's the way that I go (That's the way I'am)
(thats the way I go)
(That's the way I'am)
(thats the way I go)
(I go)
