

# Madeline and Nine

## Mike Doughty

All my life I've been slow and senseless  
Not struck dumb, I'm just dumb that's all  
    But I can give you the constellations  
Lay down here and we'll count them all  
    Madeline, Madeline  
    Madeline and nine, and nine, and nine  
And nine, and nine, and nine, and nine  
    Call me back when the war is over  
    Call me back when your boyfriend's gone  
    I'm aware of your isolations  
Don't believe, I am the only one  
    Slave to the inside light, my world is burning on eternally  
    For the fire I lack this flame is feeling fine  
    Madeline, Madeline  
    Madeline and nine, and nine, and nine  
And nine, and nine, and nine  
    Give my eyes just for your intentions  
    Risk my back to impress you now  
    I'm so joyful that I have found you  
All's I need's you to see me now  
    Slain by the words I lack my world is bursting sappy music  
And with the face so sad I long to make you mine  
    Slave to the inside light, my world is burning on eternally  
    For the fire I lack this flame is feeling fine  
    Madeline, Madeline  
    Madeline and nine, and nine, and nine  
And nine, and nine, and nine  
    Madeline and nine, and nine  
    Madeline and nine, and nine, and nine  
    And nine, and nine, and nine
