Happy In Love

Dear and the Headlights

Old lies Half right Happy in loveLong list In black pen Happy in loveLoose grip, and tight lipped Thinning your blood Begging Not sleeping Happy in loveComing over and apart Lonely, I look at you You're shaking and so confused I'm lost somewhere here in my mindPerfect but no feeling left Happy in loveA slow drift You don't notice it Happy in loveComing over and apart Lonely, I look at you My dead logic overview I'm buried out back there in my mind.
