

Never Too Much (Extended Version)

Luther Vandross

I can't fool myself I don't want nobody else to ever love me
You are my shining star my guiding light my love fantasy
There's not a minute, hour, day or night that I don't love you
You're at the top of my list 'cause I'm always thinking of ya
I still remember in the days when I was scared to touch you
How I spent my day dreamin' plannin' how to say "I love you"
You must have known that I had feelings deep enough to swim in
That's when you opened up your heart and you told me to come in Oh my love, a thousand kisses from you
Is never too much, I just don't wanna stop
Oh my love, a million days in your arms
Is never too much, I just don't wanna stop
Never too much, never too much
Never too much, never too much Woke up today, looked at your picture just to get me started
I called you up but you weren't there and I was broken hearted
Hung up the phone, can't be too late, the boss is so demandin'
Opened the door up and to my surprise there you were standin'
Who needs to go to work to hustle for another dollar?
I'd rather be with you 'cause you make my heart scream and holler
Love is a gamble and I'm so glad that I am winnin'
We've come a long way and yet this is only the beginning Oh my love, a thousand kisses from you
Is never too much (never too much, never too much, never too much)
I just don't wanna stop
Oh my love, a million days in your arms
Is never too much (never too much, never too much, never too much)
And I just don't wanna stop
Oh my love, a thousand kisses from you is never
(Never too much, never too much, never too much) never
I just don't wanna stop
A million days in your arms is never too much
