Fine and Dandy

Teddy Wilson

Please forgive this platitude
But I like your attitude
You are just the kind I've had in mind
Never could findHoney, I'm so keen on you
I could come to lean on you
On a random bay, give you your way
Do what you sayGee, it's all fine and dandy
Sugar candy, when I've got youThen I only see the sunny side
Even trouble has it's funny side
When you're gone, my sugar candy
I get so lonesome, I get blue
