

# Fine and Dandy

**Teddy Wilson**

Please forgive this platitude  
But I like your attitude  
You are just the kind I've had in mind  
Never could find Honey, I'm so keen on you  
I could come to lean on you  
On a random day, give you your way  
Do what you say Gee, it's all fine and dandy  
Sugar candy, when I've got you Then I only see the sunny side  
Even trouble has it's funny side  
When you're gone, my sugar candy  
I get so lonesome, I get blue
