Hero Knows

We Have Band

We won't
We won't stay where there's no one
We won't play ring-a-rose son
We're not here for duration
We've no patience
Don't
Baby, please don't
With away the dark days
They're the ones that make it all worthwhile
Hero know
We'll survive
If he lays
Down his life
From the birth
To the grave
One by one
We'll be saved
We won't
We won't stay where there's no one
We won't play ring-a-rose son
We're not here for duration
We've no patience
Don't
Baby, please don't
With away the dark days
They're the ones that make it all worthwhile
Looking out the window
Thinking for a while now
Barking dog lie down
Please come, come and find me
When you know what we know
When you've been we're we've been
We you've seen what we saw
When you see what we've seen
Hero knows
We're released
Heading on
Go in peace
