## Mithras

Hello, I'm back again  
To share with you  
My heart an' soul  
Are you surprised?  
I said, I would  
So here I am  
It's time  
For us to say, "Goodbye"

So long, until we meet again  
Keep smilin'  
Keep smilin'  
Keep sundancin'  
Keep smilin'  
Keep smilin'  
Smile
