Nowison
Death wish, bitchCalifornia house in the hills
Big windows no blinds
Can't sleep past 9
We pass weed like time over here
Money over fear
Her lipstick smeared
Her pussy lip pierced
Daddy gotta go
After daddy get his
See ya later alligator
Crying crocodile tears
Don't worry I'll be back
If her pussy like crack
She got a nice rack
And that apple bottom, bite that Apple like Mac
That's that computer love
I kill that pussy
But I don't go to the funeral
Cause I'mma wear this ass out like a uniform
So ride this dick like a horse, pony, unicorn
Boning her back when I'm in the air
Phone in her back pocket made her booty callI said hello, hello
She said oh shit
I ain't mean to call you
Anyway, what you doing
I said nothing
She said I know what you should be doing

And could be doing
Open up your legs
Walk me through it
Ain't too proud to beg, psh nigga please
I fell on my head
And she fell on her knees
What you know about that
I fell on my head
And she fell on her knees
What you know about that?
Skate, smoke, fuck, yeahCalifornia house in the hills
Big windows no blinds

Don't worry I'll be back
If her pussy like crack
She got a nice rack
And that apple bottom, bite that Apple like Mac

Wondering, dreaming, constantly thinking
Tik-tok, Skello, Tik-tok Skello! Time's wasting
Had a chance, now look at the mess
Evil thoughts they run in my head
Get there, while you can

Green and yellow do it again
Let it go, Back it up
Boom! Boom! Bring it up, titties & Milk!

Don't forget, miss miss, don't forget miss miss
