

# Are You Experienced?

## The Jimi Hendrix Experience

If you can just get your mind together  
Then come on across to me  
We'll hold hands and then we'll watch the sunrise  
From the bottom of the sea  
But first, are you experienced?  
Have you ever been experienced?  
Well, I have  
I know, I know you probably scream and cry  
That your little world won't let you go  
But who in your measly little world  
Are you trying to prove that  
You're made out of gold and, eh, can't be sold

So, are you experienced?  
Have you ever been experienced?  
Well, I have  
Let me prove you...  
Trumpets and violins I can hear in distance  
I think they're calling our names  
Maybe now you can't hear them, but you will  
If you just take hold of my hand  
Oh, but are you experienced?  
Have you ever been experienced?  
Not necessarily stoned, but beautiful...
