Enclosed by You

Liz Vice

Will you stay with me
When I forget you're there?
Will you still love me
When my love lingers elsewhere?
I hear you softly speaking
Secrets that enclose
Words that softly linger
A sweet repose
And I will never leave you
Leave you waiting round
Cause I'm the one that's been waiting
For you to turn around
For you to turn around
And how can I contain you
When you contain everything?
The house of my soul
Is far too small
And still I will sing
I hear you softly speaking
Secrets that enclose
Words that softly linger
A sweet repose
And I will never leave you
Leave you waiting round
Cause I'm the one that's been waiting
For you to turn around
For you to turn around
Enclosed by you
Enclosed I say
I am in you
And you are in me
And you are in me
