

Here I Am (Come and Take Me)

Seal

I can't believe that it's real
The way that you make me feel
I'm burning deep down inside
A love that I cannot hide I know it's you and me baby
That makes my world go round
And I'm keeping you in love with me baby
Laying all my troubles down Here I am, baby
Come on and take me, here I am baby
Come on and take me, take me by the hand
Show me, here I am baby It always ends up this way
Me begging you every day
A love that I cannot have
You broke my heart into half I know it's you and me baby
I said it makes my world go round
And I'm just keeping you in love with me baby
Layin' all my troubles down Baby come and take me, here I am baby
Come on and take me, take me by the hand girl
Show me, here I am baby And when I'm down I can always call on you
Call for a helping hand, I know you'll do the best that you can
But I know it don't take very much from me for my cup of Joe
There's love inside me, I believe there's gonna be an explosion Here I am baby, come and take me, here I am
baby
Won't you come and take me, take me by the hand
Show me, here I am baby Here I am baby, come and take me, here I am baby
Won't you come and take me, take me by the hand
Show me, here I am baby, here I am
