

# The Solutionists

## Satellite Party

Today we all got to be brave  
We all got to be braveOh I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate through  
Unexhausted  
Has been my virtueOh I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate through  
Unexhausted  
Has been my virtueThey set themselves against I  
They set my pride on fire  
Phoenix always rises high  
Rebel crusadersToday we all got to be braveOh I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate through  
Unexhausted  
Has been my virtueOh I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate through  
Unexhausted  
Has been my virtueThe paradox of poverty  
Has left us dismayed  
Sliding democracy  
Washing away  
The toil of the many goes  
To the fortunate fewThe Revolution Solution  
Oh I've come to join youYeah I'm coming  
I'm coming  
You know  
You got to be brave  
You got to be brave
