Dilated Peoples

Ah yeah, oh, no Killin' niggas, what?

Dilated, we rock, c'monHurry, hurry an' step right up

Hurry, hurry an' step right up

The greatest show on earth

An' I'ma tear shit upYou better step up, you lookin' kinda lost

Claimin' two ghetto streets that don't even cross

If you didn't know, I'm a true artist

Who drops gems like on the run from policeAlias 'Evidence', intensified when live

I understand pace, I understand strive

The only thing worse than lose your title, have it stolen

I treat beats like video games that I'm controllin'My knots get blown at vinyl spots

Wise investment, create tracks that triple my stacks

Most kids got whack songs but hi-tech videos

They know that ain't right, that's why the screens turn leftFlow goes backward, please, Evidence here to seize

All assets 'bout to bounce from BMI to ASCAP

An' ask them cats if them checks ain't paid

Fuck the rain, Evidence, I spray Raid on your paradeHurry, hurry an' step right up

An' I'ma tear shit up

Hurry, hurry an' step right up

The greatest show on earth is EvidenceHurry, hurry an' step right up

An' I'ma tear shit up

Hurry, hurry an' step right up

The greatest show on earth is EvidenceEv's solution will mold to different forms

I be a double-edged sword, I be thorns

Or I transform to horns on the cattle field

I'm always open like Norm's, equipped wit battle skills Two times I mold to the shape of a pentagon

Dilated times five is ill, ring the intercom

Evidence or Iristyle, got your file, run

Global detonation is my shape of drumsUnder the sun nothin' changes

Dedicated beats an' lyric pages, Dilated Peoples, all ages

Suckas dressin' flashy, thinkin' then can you defeat us

Take 'em out, wash your Nike wit AdidasHurry, hurry an' step right up

We got Defari in the house, no doubt

My mind is like an icon, focusin' on shows that I've wrecked

My fast shudder speeds will freeze the movin' objectsHurry, hurry an' step right up

An' I'ma tear shit up

Hurry, hurry an' step right up

The greatest show on earth is EvidenceHurry, hurry an' step right up

An' I'ma tear shit up Hurry, hurry an' step right up Pull up a chair, word upEverybody say, Babu Fuck that shit
