

How Do Ya Feel Tonight

[Bryan Adams](#)

Is there anybody out there?
Anyone that's loved in vain
Anyone that feels the same
Is there anybody waiting?
Waiting for a chance to win
To give it up and start again
We all need something new
Something that is true
And someone else to feel it too
I feel so high no one else would know it
I don't know why i feel the way i do
I can't let go and i'm not scared to show it
'Cause being here feels right
Tell me - how do you feel tonight?
Is there anybody out there?
Anyone that can't explain
Anyone that feels no pain
Is there anybody dreaming
Dreaming of a better day
When everything goes your way
We all need something new
Something that is true
And someone else to feel it too
Someone just like you
