

# I Can't Explain

## Blancmange

I've wrapped myself up in a universe again  
And let the darkness quell my match flame confidence  
And unwillingly I hide the lever I must find  
To release the deep, the tears withheld inside  
    But I can't explain  
I can't make sense of the things I'm saying  
    The crystal tears are sliding down again  
Your moonlit cheeks and soaking silken lips  
    If this pain is so real  
There's a hand that someday must heal  
    And give us the words  
    That time steals and won't let us say
