

Navy Bean

Tracy Bonham

A navy bean is bigger than it seems
Put it on, don't ask what it means
Parade aroundCellophane is thicker than it seems
Put it on, don't ask what it means
Parade aroundParade, oh
Parade, oh
Around, aroundShaving cream is thicker than it seems
Shave 'em off, don't ask what it means
Parade aroundAn angel wing is caught up in the tree
If you know what's best, get the hell away from meParade, oh
Parade, oh
Parade, oh
ParadeAround, around
Around, aroundOh, you little navy bean
Oh, you're caught up in the tree
Navy bean, navy beanOh, you little navy bean
Oh, you're caught up in the tree
Navy bean, navy bean, navy bean, navy beanCellophane is thicker than it seems
Put it on and don't ask what it meansParade, oh
Parade, oh
Parade, oh
ParadeAround, around
Around, around
