

The Time Is Now

[Asha Ali](#)

Oh there's a whisper in the wind something's going on among the leaves
Cant put my finger on but its calling out my name there's no mistakin' what this day has to say
It whispers in my ear and says
Why don't you come out , I'm waiting on you (x2)
Come out , I'm waiting on you
'Cause the Time is now (x2)MusicI tend face up , look at the dancing clouds
I've got no rush to anywhere
I'll stand right here and take this day
Make my mark on the small mend
Play all the games that this day has to offer
I whisper in your ear and say
Why don't you come out , I'm waiting on you (x2)
Come out , I'm waiting won't you come out
I'm waiting on you
'Cause the Time is now (x4)Music
