

Sweet Love

Liviu Hodor

Biggest smile in my heart
Nothing can tear us apart
I've been searching for you all this time
Keep your eyes on my lips
Cause it's them that you miss
I'll be there when you need my love oohI need tonight your love your love your love your love by my side
cause i'll be waiting for your sweet love tonight
Your love your love your love your love by my side cause i'll be waiting for your love.Oooooh ahLet's fly away
together
Let's get this dream forever
Let's dance like we're in heaven just give me your sweet love.
Let's fly away together
Let's get this dream forever
Let's dance like we're in heaven you know you're my sweet love.Let's fly away together
Let's get this dream forever
Let's dance like we're in heaven just give me your sweet love.
