Eyes open, empty as halos
He comes for me, he comes for me
He comes for me deity, deity, deityHelp, what's the matter?
Looking for someone?
He comforts me, he comforts me deityResurrection coming in stereo
If you say so, if you say so
He comes for meLet's pray, to TV divinity
He covets me, he covets me
DeityResurrection coming in stereo
If you say so, if you say so
Oh that deityResurrection coming in stereo
If you say so, if you say so
