

Laughing

[David Crosby](#)

I thought I met a man who said
He knew a man who knew what was going on
I was mistaken, only another stranger that I knew And I thought that I'd found the light
To guide me through my nights and all this darkness
I was mistaken, only reflections of a shadow that I saw And I thought I've seen someone
Who seemed at last to know the truth
I was mistaken, only a child laughing in the sun, in the sun
