

# Rockin' Over The Beat

## Technotronic

Oh oh yeah

Oh oh yeah

Oh oh yeah

Rollin' under the melody

Rockin' over the beat

As I'm chanting on the rhythm

And make the whole sound sweet

Not like candy

You taste that say you can be

Why MC oh you too good to be true

And you agree

Over and on and on and on and on and on and

Over a song and all to all for all and all

Get into the sound keep rollin' the tune

Like rockin' on the track

You just stand only for you

Get into the sound keep rollin' the tune

Like rockin' on the track

You just stand only for you

Over and on and on and on and on and on and

Over a song and all to all for all and all

He's for me and I for y'all

United we stand divided we fall

One for all and all for one

United we stand we'll get the job done

He's for me and I for young

United we stand divided we fall

One for all and all for one

United we stand we'll get the job done

Oh oh yeah

Oh oh yeah

Oh oh yeah

Rockin' to the beat turn it up

Rockin' to the beat turn it up

Rollin' under the melody  
Rockin' over the beat  
Rockin' rollin' under the melody  
And make the whole sound neat and sweet  
Yes from me to you  
You taste they say too good to be true  
All for all and all for one  
And you agree

Get into the sound keep rollin' the tune  
Like rockin' on the track  
You just stand only for you  
Get into the sound keep rollin' the tune  
Like rockin' on the track  
You just stand only for you

Rollin' under the melody  
Rockin' over the beat  
As I'm chanting on the rhythm  
And make the whole sound sweet  
Not like candy  
You taste that say you can be  
Why MC oh you too good to be true  
And you agree

Over and on and on and on and on and  
All of your love they're there yeah

Rollin' under the melody  
Rockin' over the beat  
Rockin' rollin' rollin' rockin'  
Rockin' rollin' rollin' rock  
Get into the sound keep rollin' the tune  
Like rockin' on the track  
You just stand only for you  
Stand only for you

On and on and on and on and
