

Ghost

Slash

Kill the ghost that hides in your soul
Rock 'n' roll, rock 'n' roll
Rock 'n' rock
Wipe the blood from your halo
[Incomprehensible] that you hide your shadow's pride
Spit in the face of the ugly clown
Who'll hunt you down but you can't hide
Exterminate the future
Kill the ghost that hides in your soul
Kill the ghost that hides in your soul
Rock 'n' roll
Whispers of the future
Broken [Incomprehensible] in your smile
Exterminate the future

Kill the ghost that hides in your soul
Kill the ghost that hides in your soul
You can't run from the future
Can't change the past
You're not that fast
You can't run from the future
Can't change the past
Not that fast
Kill the ghost that hides in your soul
Kill the ghost that hides in your soul
Kill the ghost that hides in your soul
Kill, rock 'n' roll
