Throw a Penny

Abra Moore

Speak easy when you speak of leavin' here
Try not to talk too loud, yeah
Take your time when you walk away from here
Try not to take too long, yeahSometimes this love feels just like a big wheel
It keeps turnin', turnin' down the avenue
Sometimes it goes up, sometimes we go down
Sometimes we just don't know what to feel
For our love is only perfect for a very short timeSo I'll, I'll let you go
And I'll, I'll watch you fall
And I'll, I'll push you deeper than
You've ever been pushed beforeFor our love is only perfect
For a very short time
Said our love, it's only perfectSo come on throw another penny down the river bed
We'll see if it comes out shinin' and bright
Throw another penny down the river bed
We'll see if it comes out shinin' and brightAnd I'll, I'll let you go
And I'll, I'll watch you fall
And I'll, I'll push you deeper than
You've ever been pushed beforeThrow another penny down the river bed
See if it comes out shinin'
(You've ever been pushed before)
Throw another penny down the river bed
See if it comes out shinin'Throw another penny down the river bed
See if it comes out shinin'
Throw another penny down the river bed
See if it comes out shinin'
