Animal (F**k Like a Beast)

W.A.S.P.

I got pictures of naked ladies
Lying on their beds
I whiff that smell and sweet convulsion
Starts a-Swelling inside my head
I'm making artificial lovers for free
I start to howl I'm in heat
I moan and growl and the hunt drives me crazy
I fuck like a BeastI come round, round i come feel your love
Tie you down, down i come steal your love
I come round, round i come feel your love
Tie you down, down i come steal your loveI'm on the prowl and i watch you closely
I lie waiting for you
I'm the wolf with the sheepsskins clothing
I lick my chops and your tasting good
I do whatever i want to, to ya
I'll nail your ass to the sheets
A pelvic thrust and the sweat starts to sting ya
I fuck like a beastI come round, round i come feel your love
Tie you down, down i come steal your love
I come round, round i come feel your love
Tie you down, down i come steal your love
